Pack 924 to Attend Jamboree on the Internet

On October 21st and October 22nd, Scouts from Pack 924 will participate in the World Scout Jamboree on the Internet ("JOTI"). JOTI is an annual event in which Scouts from all over the world make contact with each other by means of the internet. More than 500,000 people participate each year. It is a real jamboree during which Scouting experiences are exchanged and ideas are shared. JOTI allows Scouts to build friendships with Scouts in other countries and learn more about their civilian and Scouting lives. Frequently, these contacts last for years to come and sometimes even result in group trips and joint enterprises.

Popcorn Anyone?

October is high season for our Pack's annual popcorn fundraiser. Last year, Pack 924's Scouts earned over \$1,200 selling popcorn to help pay for numerous activities, equipment, and supplies. That's an average of over \$300 in gross sales per Scout. This year, we hope to double that amount and have twice as much fun as we did last year!
