Recruit a Friend to Join Our Pack

On Monday, May 8th, Pack 924 will hold a Rally for Cub Scouting at Lincolnwood Elementary School. The purpose of this Rally is to recruit new members to join our Pack. If your son has a friend who is not currently involved in Scouting, please invite him and his parents to the Rally. If there are boys in your neighborhood in grades K through 4 who are not involved in Scouting, please tell their parents about your son's experiences in Pack 924 and encourage them to attend the Rally. Every Scout who successfully recruits a new member will receive a special Recruiter patch that can be worn on his uniform.

Pack 924 Gets Down and Derby

Our Tiger Cub Scouts participated in their first-ever Pinewood Derby this month. The boys came up with a wide-variety of well designed and fast cars, and everyone had a blast watching them fly down the track. Nicholas took the checkered flag with the fastest car over-all. All Scouts who participated in the derby were awarded a Pinewood Derby segment, a commemorative blue ribbon, and a special Pinewood Derby metal.

Tiger Cubs Bunk with the Butterflies

Several brave Tiger Cub Scouts (and their equally brave dads) participated in their first Cub Scout museum overnighter at the Notebaert Nature Museum in Chicago. They learned about global warming while watching the film "Climate Chaos" in the museum's multimedia theater, participated in a spirited game of climate-related "Wheel of Fortune," and visited with a friendly fox snake named Toby. After bunking down in the museum's Hands-on Habitat and Extreme Greenhouse exhibits, they witnessed the "birth" of several butterflies and moths in the museum's Butterfly Haven.

Kids' Corner

I liked making the car with my dad because it was fun. I liked putting the flame stickers on it. I was happy when I won because my dad was really happy. I liked the Pinewood Derby because we got to sit close to the cars and make a lot of noise and see who had the fastest car each time. I get to race again with my dad this weekend.

Summer Scouting Schedule

For those of you who are interested in their boys continuing on with Scouting (hopefully all of you), the Pack will conduct a number of activities over the summer.

June 16-18, the Northeast Illinois Council is holding its first Fun with Son weekends at Camp Oakarro (Wadsworth, IL) and Ma-ka-ja-wan Scout Reservation (Pearson, WI). These Fun with Son weekends are help introduce the boys to outdoor camping and allow them to participate in a numerous scouting activites (e.g., archery, fishing, knot-tying, etc.). It also enables them to meet Scouts from other towns.

Our Scouts will either march or ride a float in the Evanston 4th of July Parade.
